Diagnostic de performance énergétique (DPE)

Situated in a building dating to 1830 and equipped with a lift, this apartment has a total living space size of 76 m2 and is located on the 4th floor.

Not unlike a luxury hotel suite, it has double north/south exposure and is comprised of an entrée, a semi-open kitchen, a day room and connecting bedroom with its bathroom.

It is very bright and quiet.

The general location is prime and close to all amenities as well as museums (Orsay, the Louvres) shops and famous restaurants and cafés.

It is in perfect, ready-to-move-into condition.
