Diagnostic de performance énergétique (DPE)

Situated in the heart of the left bank on the 4th floor (with lift) this classically late 18th century parisian apartment is perfect as a pied-à-terre or a small permanent residence.

It's 85m2 size, full of carактер and charm, offers 2 bedrooms sharing a bathroom as well as a living room and dining room area just off the well equipped and compact kitchen. There are 2 water closets.

The living room opens onto the street and over the rooftops from 2 windows.

All rooms are very bright and the property is in perfect condition.
