Diagnostic de performance énergétique (DPE)

Situated on the 4th floor of a late XIXth century, this 171 m2 apartment offers a full view of the Panthéon, one of France's iconic buildings.

It's triple facing windows ensure plenty of light at all hours of the day and the it's original features, marble chimneys', oak parquet floors and ornate mouldings, are nicely enhanced by high ceilings.

It comprises an entrance foyer, 2 Salons, a large eat-in kitchen and 4 bedrooms along with 2 bathrooms.

An uncommon offer.
