Diagnostic de performance énergétique (DPE)

Between the French Senate and the rue de Seine Market, this apartment is in a building built in the beginning of the 19th century, on the first floor. Total size is 62 m2 and the high ceilings (3,5 meters) give it the air of a Loft, but with a separate and closed bedroom. Totally quiet and in perfect condition. Rue de Tournon is deemed by many Parisians as being one of the city's most exclusive and elegant locations.
