Diagnostic de performance énergétique (DPE)

This 95 m2 apartment within a classic 19th century building is in a really good location in the 5th arrondissement, just five minutes walk from the rue Mouffart Street market and the Jardin du Luxembourg.

It is on the 4th floor (with lift), has open views and is very bright. It is now composed of a living room, 3 bedrooms and two bathrooms. The main bedroom opens onto a lovely inner garden.

A full length balcony off the living room allows one to take coffee out of doors.

Needs some renovation.
