Diagnostic de performance énergétique (DPE)

Right in the heart of the Golden Triangle, one of the capital's most desirable and exciting locations.

Situated on the 3rd floor of a fully modernized classic 19th century buildin, this 107 m2 two bedroom flat could serve as a perfect pied-à-terre as well as a full time residence.

Both bedrooms have on suite bathrooms and the large living room features 12 foot ceilings, creating a generous feeling of space.

In good condition, with air conditioning throughout.
